

## The Zodiac Lovers

ARIES. . .LEO. . .SCORPIO. . .why would anyone give a heck, about a group of stars called the zodiac. In her newest romantic novel, the author Amina Harrison has written a near droll like, yet fellatrice novel about three married couples, and their relationships in regards to a psuedo belt of stars known as the zodiac. Meleia Bailey--she cannot make love to her own husband, unless she consults her personalized charts. Jaela Powell--five years older than her husband, the stars cannot really tell her anything when it comes down to her own man. Natania--her church going ways keeps her from the zodiac, yet she sometimes wonder anyway.
