

Taken by the Hunter: Pounded in the Forest Part 1: (m/m, paranormal romance, fantasy, folklore)

Pounded in the Forest is a hot m/m romance and the first in my adult folklore short stories about how much a man is willing to risk...for some hard loving. Description: Jasper, a gay Will-o-Wisp who is used to satisfying himself, is cursed by the powerful Warlock, Hendrick, to a life as a ghost bound to a Will-o-Wisps lantern to guard the warlocks golden chest. After 100 years he encounters a handsome virile hunter, but will he hand over his lantern to him and escape the curse, or give in to his carnal desires? Jaspers lust threatens to take over, but he must escape for when Hendrick returns his death will surely follow. Will he be able to resist the hunter and his lean muscular body? Jasper craves the hard touch of this man, but yearns for freedom as well, and thinks he can have both, but is it worth the risk? And will he ever find out what is contained in Hendricks golden chest?
