

## Deceived by a God: An Erotic Norse Fantasy

Loki a half-giant from Jotunheim is travelling; wandering aimlessly across the realms when he meets a young elf named Ottarr. He strikes a bargain with the elf to do some work in exchange for a bed for the night, a meal, and a chance to bathe. Rather than doing the work he promised, Loki decides to bathe first, and takes Ottarr with him to help. It isn't long before Ottarr comes to learn Loki never intended to do the promised work at all, and had his own motives for their meeting.
