

The Giants of Bashan

There were giants in the Earth, of those days---the author Amina Harrison has self-published her recent biblical based, also historical novel centered on an epoch of the early days of the world, when a startling ethnic class of men who had lived--men who had been procreated by what the Holy Scriptures in addition to the theological evidence; between angelic beings, and a particular group of women. The unusual, yet towering men had become audacious because of their gigantic physique; however, because of the society of where some of these giants lived had been so filled with disorderly activity, besides the illicit behavior; later a powerful deluge will happen destroying all of mankind, moreover, almost practically demolishing the entire class of titans, namely the giants who had lived in a contemptible valley had been known at one time as Bashan.
