

Black Girl Lost (Holloway House Classics)

In this shocking novel of a young girl alone on the streets, Goines delves into yet another facet of the ghetto experience- the dark, despair-ridden world of a black girls soul! Sandra took to the streets when she was eight years old and tried to fight off the hunger pangs by shoplifting, moving into the profits of drug pushing. Then she met Chink and discovered love and affection.... and rape and murder.
