

## Dear Mr. President: 100 Earth-Saving Letters

Millions of armchair environmentalists want to stop acid rain, greenhouse warming, ozone depletion, deforestation, hazard-waste dumping, etc.--but don't know how to proceed and cannot find time to take action. Letters from constituents and consumers are probably the best way to move government and business leaders to correct these problems, and this unique book of 100 tear-out letters gives readers the power to take action now!
