

Authorized Abbreviations, Brevity Codes, and Acronyms (Army Regulations Series)

This regulation prescribes policy and assigns responsibility for developing, approving, and using abbreviations, brevity codes, and acronyms in Army written communications. In order to provide the widest possible access, this regulation also establishes a requirement that it be maintained on, or through a link from, an Army approved Internet/World Wide Web site. This regulation also prescribes policies for the uniform application and use of authorized abbreviations, brevity codes, and acronyms in Army written communications (publications, records, correspondence, messages, plans, orders, and reports).
