

The Pilgrimage to Parnassus With the Two Parts of the Return From Parnassus: Three Comedies (Classic Reprint)

Excerpt from The Pilgrimage to Parnassus With the Two Parts of the Return From Parnassus: Three Comedies Known to have once existed, has lain perdu to the world from the time of its composition, except with regard to the third part. That third part was twice printed in 1606, rather more than four years after the date of its first representation; was reprinted in the last century; was included a few years ago in Mr. W. Carew Hazlitt's edition of Dodsley's Select Plays; and in 1879 obtained a place in Prof. Arber's English Scholars Library. But why this third part should alone have been published by its author does not clearly appear; it was described by its eighteenth-century editor, Thos. Hawkins, in somewhat exaggerated terms, as being perhaps the most singular composition in our language, but its singularity of design and character is shared equally by the earlier parts, which display also as much humour and are fuller of illustrations of the academic life of the period. They have, unhappily, as much too of that coarseness which is such a blot on the popular literature of the time, but they have no such pages of repulsive rant as are assigned at the close of the third part to the extravagant characters Furor Poeticus and Phantasma. Probably the secret of the greater popularity of the third part may be found in the personal satire expressed in the character of the Recorder. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of

imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
