

This Is the Police

Life in Bishopsbead Constabulary is good... when you're a Superintendent and about to be promoted again. Grand Master of the Old Velvet Masonic Lodge and all set to retire on fictitious medical grounds, with a hefty pension, then head on home to Mother. Life in Bishopsbead is not so good if you're a non-masonic bottom feeder; grinding out a living in a clown suit and punting diesel pandas about on back shifts. Drink problems and a non-p.c. sense of humour are also not considered assets. A mistake then to hire such Heathens for your new Surveillance Unit, or to pen a port-fuelled lament describing your lonely transvestism, and the current state of Mother, and mistakenly post it with the invites for your Ladies Night... to Jimmy Savile! This Is The Police. A Farce in Three Parts.
