

Haunted Honeymoon at Casa Dracula

Milagro De Los Santos is forced to take another ghostwriting job for hoaxer Don Pedro when she can't pay her condo fees. Her romantic life isn't much better. She's conflicted about her fling with Vampire Council member Ian Ducharme and still yearning for her ex-fiance, Dr. Oswald Grant and her life at his wine-country ranch. When Ian's flirtations with a pretty neighbor infuriate Milagro, she travels to London, and the blood really hits the fan. People around her are dying grisly deaths, and Milagro's framed for murder. She escapes to Oswald's ranch, but an accident gives her amnesia and she forgets her entire existence as the only human survivor of a vampire infection. Will Milagro make all the same mistakes, or will she discover the real killers and finally get to use the Margaritanator 3000 at her wedding reception?
