

Mademoiselle de Maupin (Penguin Classics)

Chevalier d'Albert fantasizes about his ideal lover, yet every woman he meets falls short of his exacting standards of female perfection. Embarking on an affair with the lovely Rosette to ease his boredom, he is thrown into tumultuous confusion when she receives a dashing young visitor. Exquisitely handsome, Theodore inspires passions d'Albert never believed he could feel for a man - and Rosette also seems to be in thrall to the charms of her guest. Does this bafflingly alluring person have a secret to hide? Subversive and seductive, *Mademoiselle de Maupin* (1835) draws readers into the bedrooms and boudoirs of a French chateau in a compelling exploration of desire and sexual intrigue. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
