

Her Darkest Hour

When teenager Louise Jackson finds that her beloved mother has died in her sleep, secrets and lies come floating to the surface, turning her world upside down, and forever changing the course of her life. Discovering incomprehensible motives of evil, deceit and revenge in those around her, a brokenhearted Louise is thrown onto a torturous path and discovers chilling and unknown new horrors awaiting her. Her Darkest Hour is the gripping story of one individual who forges through life despite recurring tragedies and travesties and continues to rise above the onslaught of lifes catastrophes.
