

## Inside-Out Of Me

Inside - Out of Me is a book of poems and creative writings that express the various emotions in life situations being love, illness, romance, hurt, happiness and many other expressions from the heart. The author wrote this because as a young girl growing up, it was an out for her to help her deal with her emotions. The author fulfills a dream in hopes that her writings and words may help someone through a life event or even touch someones heart in a positive way.
