

Letters to the Moon is a compilation of complications in life that I've lived and learned through. Poetry that was written through trials and tribulations but amidst the uncertainty, life birthed mellifluous words of beauty. These words would shape to stories and these stories would shape my life. I bear a piece of my soul in this book in hopes of understanding who I am, where I belong and where I am heading. Hopefully my words can inspire people to find their creativity and nurture their God-given talents. A unique perspective of life embodies these poems. A perspective that is easier to write about than it is to speak aloud. Letters to the Moon are poems from the heart telling the tales of a poet struggling to find the truth; A man longing to know.
