

In this book Mr. Martindale examines the use Milton made of ancient poets, and the way they influenced his style. Some surprising ingredients in the style of *Paradise Lost* are uncovered: Horace, for example. The book is a rare combination of scholarship, both classical and English, and critical judgment.

The Oxford Companion to Classical Literature, Echoes of the Past, New Holland TN75DA Operators Manual, James Elroy Flecker an Appreciation With Some Biographical Notes (Classic Reprint), *Il Cipresso e la Vite* (Italian Edition), Rommel, the desert fox, Glasses of a POET,
