

Rise of a Kingpins Wife 2

Life with Shade and Kingston is finally coming together. Shade has let her guard down, and decided Kingston is worthy of her loyalty. And, Kingston decides its time to see if the proof is in the pudding, so he sends Shade out on a mission with Anthony to test her skills. But, the end result opens up a part of Shades past she buried while in jail, and conjured up an old mutual friend, that both Kingston and Shade share in common. Now back home in Jamaica, Kingston is faced with his brother Chaunceys ploys to kill him and their father, in order to gain control of their families Jamaican drug empire with Kingstons ex-wife Cynthia by his side. Kingstons hate for her blatant disrespect drives his desire to take his daughters back to America with him. And, when Shade shows up unexpectedly to Jamaica, she is faced with the judgment of Kingstons mother and his ex-wife. And the lust of Chauncey, the man who wants to destroy her beloved Kingston. But, when an assassination attempt goes wrong, Chauncey sets in motion a kidnapping plan with Jefferson, that could have deadly consequences if Kingston doesnt play along with the demands.
