

In this amusing collection of articles and essays, A P Herbert ponders the world around him in his own inimitable style. Witty, droll and a respecter of no man, the admirable APH provides a series of hilarious and unique sketches – and gently points the finger at one or two of our own idiosyncrasies. Such comic dexterity and inspired versatility is beautifully enhanced by a string of ingenious illustrations.

Ronda del Guinardo (Clasicos Y Modernos / Classics and Modern) (Spanish Edition), A Gray Stone Field (1), Australias security: Issues for the new century, Memoirs : A Documentary of the Nazi Twilight Era : Condensation of Ten Years and Twenty Days, Traite de therapeutique et de matiere medicale: Partie 3 (French Edition),
