

Season of Storm

He took her hostage could he ever let her go? Shulamith St. John had lived with the threat of kidnapping for most of her life, but that didn't make her situation when it happened any less terrifying. Especially as she knew what her kidnapper did not that her father, the ruthless lumber baron Cordwainer St. John, would not pay one cent of ransom for her. Johnny Winterhawk didn't believe that but he was no ordinary kidnapper. He didn't want money, he wanted to protect his tribal lands from her father's chainsaws. And then, it seemed he wanted her. Shulamith responded to her captor's touch with a hunger that made her feel she could trust him with her life. Their deep passion shook her, body and soul. And that was the most terrifying thing of all.
