Tu-Shonda Whitaker just keeps getting better and better. --T. Styles
The diamonds are flawless, their drama is turned up ultra high, and the taboo beauties from Tu-Shonda L. Whitaker's Millionaire Wives Club are back for a third season of explosive lies, forbidden sex, and scandals like you've never seen before! Step into the world of cable TV's hit reality show and meet new bride and new mother Milan, who finally has everything she's ever dreamed of. Problem is her perfect life doesn't work for TV. What will she do when the producer threatens to fire her? Editor-in-chief Chaunci isn't feeling the fame and the last thing she needs is to share the spotlight with her worst enemy, newcomer Journee. Socialite Journee expected her eighty-two-year-old husband to only live four days past their wedding night, but it's been four years. And just when it seems that he's ready to meet his maker, his son--Journee's ex-lover--shows up. Hair care mogul Vera is struggling with her failing marriage and the last thing she needs is her drug-addicted mother to further ruin her life or her image. Jaise is finally standing by her man. But will she live the life she thinks or will it cost her everything? They say that money can't buy happiness, but it makes for one hell of a novel! --Kwan, Essence bestselling author
You haven't met real housewives until you've read about these divas! --Anna J., author of My Woman His Wife
