Alternative Shakespeare Auditions for Men

Simon Dunmore

Dunmore brings together fifty speeches for men from plays frequently ignored such as Titus Andronicus, Pericles, and Loves Labours Lost. It also includes good, but over-looked speeches from the more popular plays such as Octavius Caesar from Antony and Cleopatra, Leontes from The Winters Tale and Buckingham from Richard III. With character descriptions, brief explanations of the context, and notes on obscure words, phrases and references, it is the perfect source for a unique audition.
