

## PONY TALES

Pony Tales is a whimsical book about horses and life. It includes twenty fun stories, for horse lovers of all ages, such as Look Before You Leap, Pony Express, Happy Trails, Winners Circle, Out Foxed, Carousel, If the Shoe Fits Wear It, Never Look a Gift Horse in the Mouth, and much more. Each story captures the imagination of the reader in a playful way, and conveys a life lesson, ending with a moral to the story. Pony Tales is beautifully illustrated with 22 original color sketches portraying each tale. All net proceeds will benefit Equus&Equestrian Sport Foundation Inc. E.E.S.F. is a 501 (c)(3) Not-For-Profit Organization dedicated to educating, developing and financing horses and riders for excellence in competition at local, regional, national and international levels. This includes the World Cup, Pan Am Games, and Olympics. The United States is one of the few countries where government does not fund international training or competition. As a result, our athletes must rely on the generosity of the private sector, such as EESF, in order to create opportunities for equines and equestrians. Therefore, EESF serves as a feeder/farm system to support the development of USET riders and horses.
