

Police Supervision and Management: In An Era of Community Policing (2nd Edition)

For courses in Police Management and Police Supervision. Collectively possessing more than 100 years of practical administrative, managerial, supervisory and academic experience, the authors of this text give it a real-world flavor not often found in other books. They provide students with a comprehensive look at the challenging roles of police supervisors and managers; exciting and up-to-date coverage of issues, trends, and tactics; and focus on timely topics such as terrorism and policing in the community policing era.
