

In Limestone Moon Olivia Maciel interrogates the inexpressible. Metaphor reaches into a realm of light and darkness to mysteriously converse with the silence enveloping the word. The tinging of this dark light which transcends borders, reveals a vehement and genuine interior, impregnated by the seed of the dream. With almost religious intensity, the poems yield a rare fruit, whose taste evokes the ineffable.

Corridors of the Night: A William Monk Novel, Murdered on Duty: The Killing of Police Officers in America, The Defence of Stonington (Connecticut) Against a British Squadron, August 9th to 12th, 1814 (Dodo Press), Against All Odds, Kreditrisikomessung bei Projektfinanzierungen durch Risikosimulation (Business-to-Business-Marketing) (German Edition),
