

The best and most eloquent introduction to Dante for our time. Prue Shaw is one of the worlds foremost authorities on Dante. Written with the general reader in mind, Reading Dante brings her knowledge to bear in an accessible yet expert introduction to his great poem. This is far more than an exegesis of Dante's three-part Commedia. Shaw communicates the imaginative power, the linguistic skill and the emotional intensity of Dante's poetry—the qualities that make the Commedia perhaps the greatest literary work of all time and not simply a medieval treatise on morality and religion. The book provides a graphic account of the complicated geography of Dantes version of the afterlife and a sure guide to thirteenth-century Florence and the people and places that influenced him. At the same time it offers a literary experience that lifts the reader into the universal realms of poetry and mythology, creating links not only to the classical world of Virgil and Ovid but also to modern art and poetry, the world of T. S. Eliot, Seamus Heaney and many others. Dantes questions are our questions: What is it to be a human being? How should we judge human behavior? What matters in life and in death? Reading Dante helps the reader to understand Dante's answers to these timeless questions and to see how surprisingly close they sometimes are to modern answers. Reading Dante is an astonishingly lyrical work that will appeal to both those who've never read the Commedia and those who have. It underscores Dantes belief that poetry can change human lives. 34 illustrations

The Law Officers Pocket Manual 2004, Divine Comedy: Hell, The Masqueraders: a play in four acts., Lectures and Biographical Sketches, Gigli ridenti. Mini antologia di lirici greci (Italian Edition),
