

Reduced Shakespeare: The Attention-Impaired Readers Guide to the Worlds Best Playwright [Abridged]

From the theater troupe whose sidesplitting production *The Complete Works of William Shakespeare [Abridged]* is the longest-running comedy in London's history comes an openly hysterical, yet surprisingly informative, guide to everything you ever wanted to know about the Bard of Avon. Love Shakespeare? You'll like this book. Hate Shakespeare? You'll love this book. From the theatrical company that has been cutting the Bard down to size for more than a dozen years comes a single volume boasting everything you always wanted to know about William Shakespeare's life and work -- but couldn't be bothered to ask. In one slim volume, *Reduced Shakespeare* delivers the plays, the life, and the legend in twelve easy pieces. What's the theme of *Hamlet*? Poop or get off the pot. What's essential preparation for an evening of outdoor Shakespeare? Bring lots of coffee . . . and use the bathroom before the show. Liberally sprinkled with lists, definitions, quizzes, essential vocabulary, and the *Reduced Shakespeare Company's* trademark irreverence and wit, this reduced handbook will delight enthusiasts, skeptics, and fledgling fans alike.
