

The text's practical approach to inpatient problems provides the answers with easy-to-remember approaches, algorithms, and mnemonics. Tables are included to organize important information in a convenient format. The material is presented in a problem-oriented style that lets the reader interpret and respond to symptoms, signs, abnormal lab tests, and EKGs. Thus the emphasis is on working toward a diagnosis instead of starting with the disease and working backwards. It's an excellent preparation tool for the Boards.

I Slept with Slender Man, Drug Abuse a Manual for Law Enforcement Officers, Old Freak, Asbury Park, NJ (German Edition), Transportes Gonzalez e Hija (Spanish Edition), EROTICA GAY: 16 Steamy Stories Bundle Collection Box Set, Emergency Medicine Orals: Review, La Mere coupable (French Edition), How Granny Defeated the M.O.B., Becoming a professional pilot,
