

Holy Innocence: A collection of love poems

Holy Innocence is a collection of innocent musings on love, the things lovers do innocently moved by love, the emotion that makes the mind stop functioning the minute one falls helpless in to the abysmal abyss of love. May it be teen hominess, school-boy/girl crush on someone, secret admiration, harmless flirtation, infatuation, or lust for someone already taken love does this innocently, just to fulfill the longing of a heart that is helplessly in love for which words cant describe. Holy Innocence is sensational, love poems to the max. Every girl should read this. Triond.com
