

## Desire; The Thief Within

Excerpt from Vittorio; A Prayer for Rest:  
And there you stand. Your eyes mirroring the inferno you hide within your soul. In all these years, I still tremble in your hand. Your arms are calling to me, drawing me in. My senses dull, a facade, threaten to scream from my skin. Vittorio, I have grown weary of the wait. I had once tempted fate and she accepted with a grin. I do not feel I could endure to chance it once again... Desire; The Thief Within is a compilation of modern poetry merged with beautiful photographs, and is sure to enchant. Take a walk on a poetic, photographic journey through the raw emotional world of love, and betrayal.
