

En 1929, el crack de la bolsa de Nueva York siembra en todo el mundo el caos y el desconcierto. En medio de la desesperación y la pobreza, tres hermanos luchan por salir adelante a la sombra de la construcción del edificio más alto del mundo: el Empire State. Criados en una granja de la América profunda, Tom, Jay y Beth son tres hermanos cuyo futuro cambia drásticamente al estallar la Primera Guerra Mundial. Con sus sueños rotos, las vidas de los chicos toman caminos diferentes hasta confluir de nuevo en 1929 cuando se inicia la construcción de «el techo del mundo», el edificio más alto levantado hasta ese momento. Moviéndose en escenarios como los despachos de Wall Street, las bambalinas de Broadway, los callejones de Brooklyn o el inframundo del hampa, entrelazarán sus destinos con los de otros inolvidables personajes para formar un apasionante fresco de una ciudad, Nueva York, en unos años en los que comenzó a cambiar su historia. Y aprenderán que, incluso en las condiciones más adversas, la esperanza de una vida mejor está a la vuelta de la esquina...
