Alice, a young secretary from a New York hosiery company, lives a solitary life enraptured by her nylon fetish that takes an unexpected turn into a fantastic world that reveals her deepest desires as she unwittingly unravels the truth about her lust for pantyhose and nylons as well as her own inner self. Thrust down the proverbial Rabbit Hole this book is the first in a series of five erotic adventures where Alice's wanton urges embracing hosiery gets her into multiple amazing lesbian situations involving mystical guides, inanimate phallic puzzles, powerful heroines, dazzling and colorful lands, witches, and a slew of other crossovers from classical fairy tales.
