

The Creators Map: A Novel

A beautiful librarian pursued by the Nazis must protect a mysterious document said to be penned by God's own hand. Emilio Calderon is a true master of the historical novel, able to infuse a specific time and place with clarion detail and an aura of magic. In *The Creators Map*, he vividly re-creates the shadowy schemes, romantic entanglements, and divided loyalties of a Europe torn apart by World War II. Told from the perspective of Jose Maria, a Spanish architect in Rome, *The Creators Map* brings to life the harrowing days surrounding the rise and fall of fascism as he, along with a passionate young librarian and an Italian prince, become entangled in a web of intrigue, love, and deceit involving a fateful map whose secrets have the power to destroy them.
