

Translated here in a bilingual edition is Gozzano's best and best-known collection of poems, The Colloquies, along with a selection of his other poems. Also included is an introductory essay by Eugenio Montale, the Italian poet and winner of the 1975 Nobel Prize for Literature. Originally published in 1981. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
