

William Shakespeare: A Man for all Times (Shakespeare Alive)

Who was William Shakespeare? How much do we really know about him, and how much of what is believed is myth? This unique biography takes the reader step-by-step through Shakespeares life, setting out the evidence and what we can reasonably infer about him. It reminds the reader about the world he lived in, such as that standard spelling of words did not exist in his time, and shows how we must think carefully before applying modern ideas to explain his life.
